SAUVIGNON BLANC
NAPA VALLEY

2018

2018 Vintage Notes

2018 was a near-perfect growing season started later than previous years, saw ideal weather conditions throughout and is coming to a close for a majority of wineries throughout the valley. Wines from the 2018 vintage are now quietly developing in cellars, and winemakers are pinching themselves and smiling for the gift it appears Mother Nature has given them.

2018 Cultivar Napa Valley Sauvignon Blanc

Cultivar 2018 Napa Valley Sauvignon Blanc comes from vineyards as far North as Calistoga and as far South as Carneros. It's true representation of Sauvignon Blanc in Napa Valley. One swirl and notes of pineapple, daisies, lemon grass and hint of minerals will float up from the glass to your nose. On your palate the wine is vibrant, crisp, green apple acidity, to passion fruit... and refreshing tart mouthwatering lime zest, with a hint of chamomile for its long finish. Classic pairings of seasonal salads, mussels and oysters.
